Excursions or Spa

Excursions & Spa Treatments- reimbursement of \$150 per person

We are going to do things a little different with the spa & excursion credits on the trip this year. Each person will be responsible to book their own spa services and or excursions and you will be reimbursed up to \$150 per person after the trip. **You will need the detailed receipts so please remember to keep them to be reimbursed.** You will be reimbursed on the March expense report through SAP Concur that will be due no later than Wednesday, April 2nd and the reimbursement checks will be mailed out on April 15th to your house.

If you don't have a Concur account, send me an email after the trip and I will send you an expense reimbursement form in excel to complete. Expense reports are due the 2nd business day after month end & late submissions will not be accepted. Please remember to submit for reimbursement on the month that you paid for it and not the travel dates.

Spa Services

Send an email to Edgar Espinoza at edgar.espinoza@breathlessresorts.com to schedule your appointment(s). We don't have any time slots on hold so please send the email as soon as possible. Please note that you will receive a 10% discount from the advertised price.

Excursions

Amstar will have a private hospitality desk at Breathless for us on Friday, 3/21 from 12pm to 6pm.

LOCAL FLAVOR

Attractions, activities, and points of interest include:

Fishing

Los Cabos is renowned for its fishing – primarily marlin, Dorado, and tuna. Year-round tournaments are hosted here, and several local companies offer fishing charters and tours.

Whale Watching

There are few things more magical than witnessing the migration of humpbacks and gray whales in the waters of Baja Sur. If you visit us during the winter months, be sure to take part in a whale-watching excursion.

Cabo San Lucas Nightlife

There's no shortage of exciting after-hours activities in Cabo San Lucas. From gourmet restaurants to terrific bars and nightclubs, this town has established itself as one of the world's best party destinations.

Marina Cabo San Lucas

Sailing aficionados will be thrilled with this nearby full-service marina, which features 300 slips, as well as shopping, dining, and nightlife.

Sunset Tours

Enjoy the area's breathtaking scenery, including the famous Arch (El Arco) rock formation at Land's End, on a romantic sunset cruise.
